NOTICE

ENGAGEMENT OF STUDENTS ONLINE AND UPLOADING OF COURSES ON MOODLE PLATFORM

Following the closure of the universities as a result of COVID-19 pandemic, the Government of Ghana through the Ministry of Education and National Council for Tertiary Education has issued directive to Vice Chancellors Ghana to ensure that students, while at home, are actively engaged online for continuing academic work.

In furtherance of this directive, steps have been taken to upload all students onto the **UCC Moodle Platform**. We therefore entreat all teaching staff of the University of Cape Coast to upload their courses and course materials (i.e. course outlines, lecture notes/powerpoint presentations, recommended reading books/journals) for the second semester 2019/2020 academic year on the **Moodle Platform** by **Wednesday, 8th April, 2020** to enable students access them for continuing academic work.

All concerned members are accordingly required to engage their students on the platform until further notice.
